

# Lifetime Benefit Solutions Health Spending App

We've taken the hassle out of managing spending accounts for our members. Our mobile app functions provide 24/7 access to their account and puts them in control.

At Lifetime Benefit Solutions (LBS), we work to ensure members get the most out of their spending accounts. By taking advantage of our mobile app, the LBS Health Spending App, members can easily and securely access any of their spending accounts all in one place, from their iOS or Android devices.

**The LBS Health Spending App provides members with time-saving benefits such as:**

Simple and secure access to all of their spending accounts - one single platform for Health Savings Account, Flexible Spending Account, Health Reimbursement Account, and Qualified Transportation Benefit

Check current spending account balances and transaction details

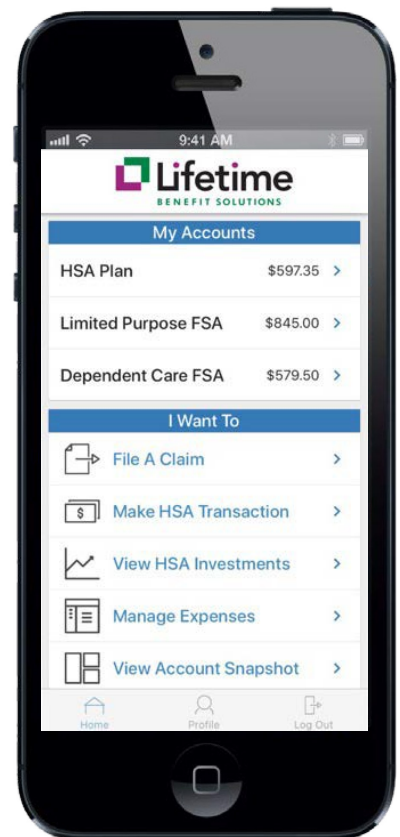

View account activity and receive alerts via text message

File new claims by simply uploading a picture of their receipt

Easy access to our customer service center via a phone call or email

## Additional Features for HSA Members

Request a contribution

Make a distribution for an eligible expense
