NOTICE(S)

THIS CERTIFICATE DESCRIBES THE BENEFITS THAT ARE AVAILABLE TO YOU. PLEASE READ YOUR CERTIFICATE CAREFULLY. THE POLICY IS ISSUED IN THE STATE OF VIRGINIA AND PROVIDES ALL THE BENEFITS REQUIRED BY APPLICABLE VIRGINIA LAW.

BENEFICIARY DESIGNATION MAY NOT APPLY IN THE EVENT OF ANNULMENT OR DIVORCE

Under Virginia law (Virginia Code § 20-111.1), a revocable beneficiary designation in a policy owned by one spouse that names the other spouse as beneficiary becomes void upon the entry of a decree of annulment or divorce, and the death benefit prevented from passing to a former spouse will be paid as if the former spouse had predeceased the decedent. In the event of annulment or divorce proceedings, and if it is the intent of the parties that the beneficiary designation of the former spouse is to continue, you are advised to make certain that one of the following courses of action is taken prior to the entry of a decree of annulment or divorce: (i) change the beneficiary designation to make it irrevocable; (ii) change the ownership of the policy or contract; (iii) execute a separate written agreement stating the intention of both parties that the beneficiary designation is to remain in effect beyond the date of entry of the decree of annulment or divorce; or (iv) make certain that the decree of annulment or divorce contains a provision stating that the beneficiary designation is not to be revoked pursuant to § 20-111.1.

NOTE

Receipt of Living Benefits (Accelerated Benefit) may be taxable. Please seek assistance from a personal tax advisor.

ABOUT LIVING BENEFITS (ACCELERATED BENEFIT)

LIFE INSURANCE BENEFITS (BENEFITS PAYABLE BY REASON OF THE DEATH OF YOU) WILL BE REDUCED IF BENEFITS ARE PAID UNDER THE LIVING BENEFITS (ACCELERATED BENEFIT) PROVISION.

This disclosure is a brief summary of the Living Benefits (Accelerated Benefit) provision and its effect on life insurance benefits.

An eligible Insured Person may receive payment of part of the amount of life insurance in effect for the Insured Person while living if the Insured Person has been diagnosed with a terminal condition. A terminal condition means a sickness that is expected to result in death within the number of months stated in the Certificate, as certified by a Physician. Please refer to the Living Benefits (Accelerated Benefit) provision of this Certificate for information regarding who is eligible for this benefit and the complete definition of Terminal Condition in the Definitions section.

This benefit is included in the premium paid for life insurance. There is no separate premium charge for this benefit. The premium for life insurance does not change if benefits are paid under the Living Benefits (Accelerated Benefit) provision.

The Living Benefits (Accelerated Benefit) offered under this contract **may or may not** qualify for favorable tax treatment under the Internal Revenue Code of 1986 (as amended). Whether such benefits qualify depends on factors such as the life expectancy of you at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the Living Benefits (Accelerated Benefit) qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to Living Benefits (Accelerated Benefit) are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive Living Benefits (Accelerated Benefit) excludable from income under federal law.

Receipt of Living Benefits (Accelerated Benefit) may affect your, your Spouse's or Domestic Partner's or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect your, your Spouse's or Domestic Partner or your family's eligibility for public assistance.

LIFE INSURANCE FOR YOUR DEPENDENTS

You may elect to have your Spouse insured for an amount of life insurance from \$5,000 to \$250,000, in increments of \$5,000, provided the amount elected does not exceed 100% of your amount of life insurance.

Less than 14 days	\$500

If you have questions regarding the amount of life insurance for your Dependents, you may contact the Policyholder.

GUARANTEE ISSUE AMOUNTS AND EVIDENCE OF INSURABILITY

Guarantee Issue Amounts are subject to any reductions indicated in the BENEFIT REDUCTIONS provision of this Schedule. In addition, guarantee issue is only available if the total number of Employees insured under the Policy attains or remains above 10 Employees or 25% of the eligible Employees, whichever is greater. If the total number falls below the required level, the Guarantee Issue Amounts may be reduced or rescinded.

Guarantee Issue Amount For You (The Employee)

Your Guarantee Issue Amount is 5 times your Annual Earnings or \$150,000, whichever is less, unless you were insured under a Prior Plan. If you were insured under a Prior Plan, your Guarantee Issue Amount is equal to the amount of insurance that was in-force for you under a Prior Plan the day before the Policy Effective Date, but in no event more than the maximum amount of insurance stated in the Life Insurance for You (the Employee) section of this Schedule.

Guarantee Issue Amount For Your Spouse

The Guarantee Issue Amount for your Spouse is 100% of your elected amount of life insurance or \$50,000, whichever is less, unless your Spouse was insured under a Prior Plan. If your Spouse was insured under a Prior Plan, the Guarantee Issue Amount is equal to the amount of insurance that was in-force for your Spouse under a Prior Plan the day before the Policy Effective Date, but in no event more than the maximum amount of insurance for your Spouse stated in the Life Insurance for your Dependents section of this Schedule.

Guarantee Issue Amount For Your Dependent Children

The Guarantee Issue Amount for each Dependent child is 100% of your elected amount of life insurance, unless your Dependent child was insured under a Prior Plan. If your Dependent child was insured under a Prior Plan, the Guarantee Issue Amount is equal to the amount of insurance that was in-force for your Dependent child under a Prior Plan the day before the Policy Effective Date, but in no event more than the maximum amount of insurance for each Dependent child stated in the Life Insurance for your Dependents section of this Schedule.

Insurance for you and your Dependents, if applicable, is only available on a guarantee issue basis:

- a) during your First Enrollment Period;
- b) during a Subsequent Enrollment Period; or
- c) as otherwise stated or allowed in the Policy.

BENEFIT REDUCTIONS

As you grow older, the amount of life and AD&D insurance for you will be reduced according to the following schedule:

At the Age of:	The Original Amount of Insurance Will Reduce to:
65.....	65%
70.....	50%

Reductions become effective on the first day of the month that coincides with or follows the day you reach the specified age. Any reduced amount of insurance will round to the nearest dollar.

If you are age 65 or older on the date insurance becomes effective, the amount of life and AD&D insurance for you will be reduced as shown above. Thereafter, the amount of life and AD&D insurance will continue to reduce in accord with the schedule above.

If a reduction to your amount of insurance causes an amount of insurance for one or more of your Dependents to exceed the maximum amount of insurance described previously in this Schedule, the amount of insurance for the Dependent will be adjusted to comply with the maximum available.

LIFE INSURANCE BENEFITS EXCLUSION

We will not pay benefits for a death which results from suicide, while sane or insane, within two years from the date insurance begins (under the Policy or any Prior Plan). Instead, we will refund the total of the premiums paid for insurance under the Policy to the beneficiary.

If death results from suicide, while sane or insane, within two years from the effective date of any increase in the amount of insurance under the Policy, benefits in the amount of the increase will not be paid. Instead, we will refund the total of the premiums paid under the Policy attributed to the increase in insurance to the beneficiary.

ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

WHEN YOU BECOME ELIGIBLE FOR INSURANCE (ELIGIBILITY WAITING PERIOD)

If you are Actively Working on the Policy Effective Date, you become eligible for insurance on the Policy Effective Date.

If you are not Actively Working on the Policy Effective Date, or if you are hired after the Policy Effective Date, you become eligible for insurance on the day you begin Active Work.

The day you become eligible for insurance may not be the same as the day your insurance begins. The WHEN YOUR INSURANCE BEGINS provision describes the day your insurance begins.

WHEN A DEPENDENT BECOMES ELIGIBLE FOR INSURANCE

Provided you elect insurance for you, your Dependents become eligible for insurance on the later of:

- a) the day you become eligible for insurance; or
- b) the day you acquire the Dependent.

If both you and your Spouse are eligible for and elect insurance as Employees:

- a) neither you nor your Spouse may elect insurance as a Dependent of the other person; and
- b) both you and your Spouse may elect insurance for your Dependent children.

In order to insure an eligible Dependent child, you must insure all of your eligible Dependent children.

The day a Dependent becomes eligible for insurance may not be the same as the day insurance begins. The WHEN YOUR DEPENDENT'S INSURANCE BEGINS provision describes the day when insurance begins.

WHEN YOUR INSURANCE BEGINS

You must enroll for any insurance requiring an election by submitting a Written Request for insurance. The Written Request must be submitted to the Policyholder no later than 31 days after the day you become eligible. If the Written Request for insurance is not submitted within the required time frame, you must provide Evidence of Insurability.

You become insured on the first day of the month that follows the latest of the day:

- a) you become eligible and are Actively Working; or
- b) your Written Request is properly completed and signed, if required.

You must provide Evidence of Insurability if it is required. You become insured for any amount of insurance that requires Evidence of Insurability on the first day of the month that follows the day we approve Evidence of Insurability.

WHEN YOUR DEPENDENT'S INSURANCE BEGINS

You must enroll your Dependent's for any insurance requiring an election by submitting a Written Request for insurance. The Written Request must be submitted to the Policyholder no later than 31 days after the day your Dependent becomes eligible. If the Written Request for insurance is not submitted within the required time frame, your Dependents must provide Evidence of Insurability.

An eligible Dependent will become insured on the latest of the day:

- a) you become insured, unless otherwise agreed to by our authorized representative in our home office;
- b) you acquire the eligible Dependent; or
- c) your Written Request to enroll the Dependent for insurance is properly completed and signed, if required.

Your Dependents must provide Evidence of Insurability if it is required. Your Dependents become insured for any amount of insurance that requires Evidence of Insurability on the first day of the month that follows the day we approve Evidence of Insurability.

Insurance for a Dependent child who became Incapacitated prior to reaching the age of 26 begins in accordance with the above terms, provided the child otherwise meets the definition of Dependent.

Insurance for a newborn Dependent child begins at the moment of live birth, provided the child otherwise meets the definition of Dependent. Insurance for a newly adopted Dependent child begins with the date of placement into your custody, or at the moment of live birth if a written agreement to adopt the child was previously entered into by you, provided the child otherwise meets the definition of Dependent. If Dependent child insurance requires an election and Dependent child insurance for any other child is not already in effect, a Written Request for insurance for any newborn or newly adopted Dependent child must be submitted to the Policyholder within 31 days after the day the Dependent child becomes eligible in order to continue insurance beyond the 31-day period.

EXCEPTIONS TO WHEN YOUR INSURANCE BEGINS

This provision does not apply if you are eligible for insurance under the CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER provision.

If you are:

- a) not Actively Working due to Injury or Sickness;
- b) Totally Disabled;
- c) confined in a Hospital as an inpatient;
- d) confined or assigned to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- e) confined at home and under the care or supervision of a Physician;

on the day insurance would otherwise begin, insurance will not take effect until the day after you are released by your Physician and you return to Active Work.

If you are not Actively Working when insurance would otherwise begin for reasons other than those listed above, insurance will not take effect until the day you return to Active Work.

EXCEPTIONS TO WHEN YOUR DEPENDENT'S INSURANCE BEGINS

This provision does not apply to any Dependent who was eligible and insured under any Prior Plan on the day before the Policy Effective Date.

If your Dependent is:

- a) confined in a Hospital as an inpatient;
- b) confined or assigned to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- c) confined at home and under the care or supervision of a Physician;

on the day insurance is to begin, insurance will not take effect until the day after your Dependent is no longer confined.

In addition, insurance for a Dependent who is unable to perform two or more Activities of Daily Living (ADLs), whether or not confined, will not take effect until the day your Dependent has performed all ADLs for at least 15 consecutive days.

Insurance for a newborn Dependent child, regardless of confinement, will begin in accordance with the WHEN YOUR DEPENDENT'S INSURANCE BEGINS provision, provided the child otherwise meets the definition of Dependent.

CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

If the Policy replaces a Prior Plan, the Policy will provide insurance for you and any eligible Dependents if you:

- a) were insured under the Prior Plan on the day before the Policy Effective Date;
- b) are otherwise eligible, but not Actively Working on the Policy Effective Date due to:
 - 1. Injury or Sickness; or

2. a leave of absence protected under:
 - a. the federal Family and Medical Leave Act (FMLA) or Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto; or
 - b. any other applicable federal or state law that allows for continuation of insurance in certain instances;
- c) are not insured under any provision of the Prior Plan;
- d) are not a retired Employee;
- e) are not Totally Disabled on the Policy Effective Date; and
- f) are approved by our authorized representative in our home office for insurance under this provision.

Insurance under this provision is subject to the following conditions:

- a) insurance may not exceed your amount of insurance under the Prior Plan on the day before the Policy Effective Date;
- b) the benefit payable will be the amount which would have been paid by the Prior Plan had insurance remained in-force under the Prior Plan, less the amount of any benefit payable under the Prior Plan;
- c) the Policyholder must notify us in writing prior to the Policy Effective Date of the amount of your insurance under the Prior Plan on the day before the Policy Effective Date;
- d) insurance is subject to uninterrupted payment of premium to us when due; and
- e) insurance is subject to any reductions shown in the Schedule section of this Certificate and all other terms and conditions of the Policy.

We reserve the right to request any information we need from the Policyholder to determine whether the conditions necessary to be eligible for insurance under this provision have been satisfied.

Insurance under this provision will end on the earliest of:

- a) the day you return to Active Work for the Policyholder or begin employment with any other employer;
- b) the last day you would have been insured under the prior Plan, if the Prior Plan had not ended or terminated;
- c) the day your insurance ends for any reason shown in the WHEN INSURANCE ENDS provision;
- d) the last day of the twelfth month following the Policy Effective Date; or
- e) the last day of the time period allowed by FMLA, USERRA or applicable federal or state law that allows for continuation.

If your insurance under this provision ends and you have not returned to Active Work, you and your Dependents may be able to obtain insurance under the CONVERSION provision.

Persons who are not eligible for insurance under this provision may be eligible to apply for conversion of insurance under the Prior Plan and should contact the Policyholder for additional information.

FIRST ENROLLMENT PERIOD

You may elect insurance for you and any Dependents during the First Enrollment Period.

If you do not elect insurance during your or any Dependent's First Enrollment Period, future elections may only be made in accordance with the SUBSEQUENT ENROLLMENT PERIODS provision, or as otherwise provided under the WHEN ELECTION CHANGES ARE PERMITTED provision.

SUBSEQUENT ENROLLMENT PERIODS

You may elect, drop, increase, decrease or change insurance for you and any Dependents during a Subsequent Enrollment Period.

WHEN ELECTION CHANGES ARE PERMITTED

You may elect, drop, increase, decrease or change insurance as allowed by the Policyholder. Any election of or increase in insurance for you or your Dependents will require Evidence of Insurability unless otherwise stated or allowed in the Policy.

Life Events

The Policyholder has chosen to provide these insurance benefits under a Section 125 cafeteria plan. A cafeteria plan permits you to elect to pay your share of the cost of insurance with pre-tax dollars and permits you to change your elections only when specific life events occur, other than during a Subsequent Enrollment Period. You may make an election change by submitting a Written Request to the Policyholder within 31 days after the date of a life event.

Life events are described in the Policyholder's cafeteria plan. Contact the Policyholder for information regarding the election changes that are permissible under the Policyholder's cafeteria plan.

Annual Increase Option

You may increase insurance during a Subsequent Enrollment Period.

You may submit a Written Request to increase the amount of insurance, provided the new amount of insurance does not exceed the maximum benefit amount shown in the Schedule section of this Certificate. You may increase your amount of insurance by up to \$10,000, in increments as shown in the Schedule section of this Certificate.

If the increased amount of insurance requested exceeds your Guarantee Issue Amount, Evidence of Insurability will be required. If Evidence of Insurability is required under this provision, such evidence will only be required once and will serve as acceptable proof for any future requests to increase the amount of insurance under this provision.

CHANGES TO INSURANCE BENEFITS

Any allowable change in the benefits, class or amount of insurance, whether requested by you or the Policyholder, or as a result of the terms of the Policy, will take effect on the first day of the month that follows the date of the request or the change, or the first day of the month that follows the day we approve Evidence of Insurability (if required by us), whichever is later, unless otherwise stated or allowed in the Policy.

For any increase in insurance, we will use the Policyholder's records and/or the premium we receive to verify that the amount of insurance requested is the appropriate insurance amount the Insured Person is eligible for under the terms of the Policy.

If you are not Actively Working on the day any increase in insurance would otherwise take effect, the increase becomes effective the first day of the month that follows the day you return to Active Work.

If your Dependent is:

- a) confined in a Hospital as an inpatient;
- b) confined or assigned to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- c) confined at home and under the care or supervision of a Physician;

on the day any increase in insurance would otherwise take effect, the increase becomes effective the first day of the month that follows the day your Dependent is no longer confined.

In addition, any increase in insurance for a Dependent who is unable to perform two or more Activities of Daily Living (ADLs), whether or not confined, will not take effect until the first day of the month that follows the day your Dependent has performed all ADLs for at least 15 consecutive days.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision. For any insurance requiring an election, you must submit a Written Request to reinstate insurance within 31 days of your return to Active Work. We will require Evidence of Insurability if the amount of insurance being requested exceeds the amount of insurance in effect on your last day of Active Work. If insurance is reinstated for you, insurance may also be reinstated for any eligible Dependents.

Reinstated insurance will take effect on the first day of the month that follows the date of the Written Request, or the first day of the month that follows the day we approve Evidence of Insurability (if required by us), whichever is later. If you are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance becomes effective on the day you return to Active Work.

Non-Payment of Premium or Voluntary Termination of Insurance

If insurance ends because you do not pay premium or you voluntarily terminate insurance, we will require Evidence of Insurability to reinstate insurance.

Involuntary Reduction in Hours

If insurance ends because you are no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated if you return to Active Work within 90 days from the date insurance ended.

Rehired Employee Due to Layoff or Termination

If insurance ends because you are no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated if you are rehired and return to Active Work within 90 days from the date insurance ended.

Rehired Employee Due to Leave of Absence

If insurance ends because you are no longer Actively Working due to an approved leave of absence, insurance may be reinstated within 90 days from the date insurance ended upon return to Active Work. If insurance ends because you are no longer Actively Working due to military leave, insurance may be reinstated upon return to Active Work within 31 days of your discharge from active duty without satisfying another Eligibility Waiting Period.

Transfer From Portability or Conversion

If insurance is obtained under the PORTABILITY or CONVERSION provision while you are not Actively Working, insurance may be reinstated up to the amount of insurance that was in effect on the last day of Active Work. Any insurance provided through the PORTABILITY policy will terminate upon reinstatement of insurance as an Actively Working Employee. Any Conversion policies issued to you or any of your Dependents must be surrendered to us. If Conversion policies are not surrendered, Evidence of Insurability will be required to reinstate insurance.

WHEN INSURANCE ENDS

Insurance ends:

- a) for all Insured Persons on the day you are no longer Actively Working;
- b) the day a Dependent is no longer eligible for insurance under the Policy;
- c) the last day of the month in which your eligible Dependent child reaches the age of 26;
- d) the day an Insured Person begins active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less), unless otherwise allowed in the Policy;
- e) the day the Policy terminates; or
- f) in accordance with the Grace Period provisions.

EXCEPTIONS TO WHEN INSURANCE ENDS

If insurance for you and/or your Dependents would otherwise end, you and/or your Dependents may be able to continue or obtain insurance under one of the following provisions:

- a) CONTINUATION OF INSURANCE FOR LAYOFF, LEAVE OR FURLOUGH
- b) CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS
- c) CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY
- d) CONTINUATION OF INSURANCE FOR TOTAL DISABILITY WITH WAIVER OF PREMIUM
- e) PORTABILITY
- f) CONVERSION

CONTINUATION OF INSURANCE FOR LAYOFF, LEAVE OR FURLOUGH

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

You may be able to continue insurance for you and your Dependents from the day you cease to be Actively Working in the event of:

- a) a temporary involuntary layoff;
- b) a temporary furlough; or
- c) a leave of absence approved by the Policyholder due to any personal reason.

In addition, the federal Family Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto, as well as other applicable federal or state laws, may allow continuation of insurance in certain instances. Contact the Policyholder for additional information regarding any other continuation options that may be available.

Any insurance continued under this provision is subject to the following conditions:

- a) insurance may not be continued beyond the earliest of:
 - 1. 12 weeks for your temporary involuntary layoff;
 - 2. 12 weeks for your temporary furlough;
 - 3. 12 weeks for your leave of absence due to any personal reason; or
 - 4. the time period allowed by FMLA, USERRA or applicable federal or state law that allows for continuation.
- b) the amount of insurance for any Insured Person may not be increased while insurance is continued under this provision;
- c) we receive verification of the approved layoff, leave or furlough from the Policyholder upon request; and
- d) we continue to receive premium payment when due (premiums must be paid by you or on your behalf).

Insurance under this provision ends on the earliest of the day:

- a) the time period in a) in the preceding paragraph has been satisfied;
- b) your temporary involuntary layoff or furlough becomes permanent;
- c) you return to Active Work;
- d) you begin full-time employment with an employer other than the Policyholder; or
- e) the Policy terminates.

Insurance under this provision also ends in accordance with the GRACE PERIOD provision.

If continued insurance under this provision ends and you have not returned to Active Work, you and your Dependents may be able to continue or obtain insurance under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision, PORTABILITY provision or CONVERSION provision.

If your leave is due to an Injury or Sickness which may result in your Total Disability, we must receive notification of your potential Total Disability on our total disability claim form within 9 months of the date your Injury or Sickness occurred, or as soon as reasonably possible.

See the OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE provision in the Premium Payments section of this Certificate for premium payment options.

When your insurance ends under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision or CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision, you may be able to continue insurance under this provision due to your Total Disability. After satisfaction of the Disability Elimination Period, and upon submission of

proof of Total Disability acceptable to us, your insurance may be continued without payment of premium until insurance ends in accordance with this provision.

Insurance may only be continued for you. If you are able to continue insurance under this provision, your Dependents may be able to obtain insurance under the PORTABILITY provision or CONVERSION provision.

If you are age 60 or older and become Totally Disabled, you and your Dependents may be able to obtain insurance under the PORTABILITY provision or CONVERSION provision.

About the Disability Elimination Period

The Disability Elimination Period is a period of 9 consecutive months. You do not have to be Totally Disabled while satisfying the Disability Elimination Period. Any period of time in which you are insured under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision will apply toward satisfaction of the Disability Elimination Period provided premiums are paid by you or on your behalf. Your insurance will continue during the Disability Elimination Period.

If your group life insurance ends before you are able to satisfy the Disability Elimination Period, you may be able to obtain insurance under the CONVERSION provision until the Disability Elimination Period is satisfied. If your continuation of insurance for Total Disability is approved, your insurance will be continued for the amount of life insurance in effect for you under the Policy on the last day of Active Work, subject to any reductions shown in the Schedule, you must surrender your Conversion policy and any premiums paid for such policy will be refunded.

Proof of Total Disability

You must submit to us acceptable proof of Total Disability approved by our authorized representative in our home office before the end of the Disability Elimination Period or as soon as reasonably possible thereafter.

In order to confirm that you are Totally Disabled, we have the right to have you examined by a Physician of our choice at our expense.

If you are approved for continuation of insurance under this provision, we will periodically require proof of continuing Total Disability. We may have you examined by a Physician of our choice at any time during the first two years of Total Disability and once a year thereafter at our expense. If an additional examination is required due to questionable or disputed results of an examination, any additional examination may be at your expense.

When Continuation of Insurance for Total Disability is Approved

We will notify you in writing if your proof of Total Disability is approved by us.

Once you are approved for insurance under this provision, a recurrent disability caused by, resulting from or contributed to by the prior Total Disability will be treated as part of your prior claim and you will not be required to satisfy another Disability Elimination Period if:

- a) you were continuously insured for the period between your prior claim and your recurrent disability; and
- b) your recurrent disability occurs within 6 months of the end of your prior claim.

When Continuation of Insurance for Total Disability is Not Approved

We will notify you in writing if your proof of Total Disability is not approved by us. If at any time while you are insured under this provision we determine that you are no longer Totally Disabled, we will notify you in writing that you are no longer eligible to continue insurance under this provision.

If you are ineligible for insurance under this provision or your insurance under this provision ends, you and your Dependents will have 31 days from the date of our notice to submit a Written Request for insurance under the PORTABILITY provision

or CONVERSION provision, if you have not returned to Active Work or you are not eligible for insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision.

When Insurance Under this Provision Ends

Insurance under this provision will end on the day:

- a) you are eligible to continue insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision; or
- b) you return to Active Work.

- b) that is 90 days after the date of our request to you for proof of Total Disability if such proof has not been received by us;
- c) you fail to obtain an examination from a Physician of our choice as described in the PROOF OF TOTAL DISABILITY provision by a date established by us;
- d) you reach age 65; or
- e) you begin full-time employment with an employer other than the Policyholder.

In no event will insurance under this provision end less than one year from the day your Total Disability is approved by us.

Insurance under this provision also ends in accordance with the GRACE PERIOD provision.

PORTABILITY

You have the right to continue receiving group life and accidental death and dismemberment insurance under this provision if you are under age 70 when insurance would otherwise end for any of the following reasons:

- a) you cease to be Actively Working and are not eligible for insurance under any other continuation provision in this Certificate (if applicable);
- b) your employment, membership or association with the Policyholder ends;
- c) you retire; or
- d) the Policy terminates and the Policyholder does not obtain a replacement policy with another insurance carrier within 31 days.

In addition to the above reasons, your Spouse may be able to continue receiving group insurance, including insurance for each Dependent child, under this provision if your Spouse is under age 70 when insurance would otherwise end for any of the following reasons:

- a) you reach the Attained Age of 70, but your Spouse is under age 70;
- b) you continue insurance under the CONTINUATION OF INSURANCE FOR TOTAL DISABILITY WITH WAIVER OF PREMIUM provision;
- c) you enter active duty in the Armed Forces, National Guard or Reserves of any state or country for a period of more than 31 days;

In the event your Spouse continues to receive insurance under this provision, each Dependent child may be insured under you or your Spouse, but not both.

If you are eligible for insurance under this provision and you are not eligible for insurance under any other continuation provision of the Policy (if applicable), you must continue insurance under this provision in order for your Dependents to be eligible.

If an Insured Person requests to continue to receive group insurance under this provision, the amount of insurance for each Insured Person will not exceed the lesser of:

- a) the amount in effect on the day insurance ended; or
- b) \$500,000 for you and \$250,000 each for your Dependents.

The amount of insurance may not be increased after insurance continues under this provision.

If you have received benefits under the LIVING BENEFITS (ACCELERATED BENEFITS) provision, you are not eligible to obtain insurance under this provision. If ineligible for this reason, you may be able to obtain insurance under the CONVERSION provision.

If you continue to receive group insurance under this provision, you and your Dependents can not continue insurance under any other continuation provision of the Policy (if applicable).

Notice of the Right to Continue Group Insurance Under this Provision

The portability period is the period of time that is 60 days from the date insurance would otherwise end (Portability Period). When insurance would otherwise end, notice of the right to continue insurance under this provision may be given. If notice is not given at least 15 days after the start of the Portability Period, an extension of the period of time to request continued insurance under this provision will be allowed. Any extension of the Portability Period will expire on the earlier of:

- a) 15 days after notice has been received; or
- b) 60 days after the end of the Portability Period, even if notice is not received.

How to Continue Group Insurance Under this Provision

You or your Spouse must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted within the Portability Period.

The Group Term Life Insurance Portability Policy

The insurance continued under this provision is available under another group term life insurance policy (the "Portability Policy") issued by us, as available at the time insurance under this provision is requested. If you or your Spouse become insured under the Portability Policy, you or your Spouse will receive a certificate of insurance that describes the terms and conditions of insurance under the Portability Policy.

The Portability Policy may not provide all the same benefits or have all the same terms and conditions that are included in the Policy. In addition, the premium rates charged for insurance under the Portability Policy may not be the same as the premium rates charged for insurance under the Policy. The benefits and premium rates of our Portability Policy are described on our portability request form. You may contact the Policyholder or us to obtain our portability request form.

The continued group insurance under the Portability Policy is available as a result of portability rights that arise solely from the Policy, as arranged for you as an employee welfare benefit subject to the Employee Retirement Income Security Act of 1974, as amended.

CONVERSION

This provision allows for conversion of life insurance. Conversion insurance is not available for accidental death and dismemberment insurance.

If group life insurance ends because your employment or membership in a class (as shown under Class(es) on the Schedule section of this Certificate) ends you may apply for an individual policy of life insurance other than term insurance ("Conversion Policy"). If group life insurance for any of your Dependents ends due to your death, divorce, legal separation or your, or your Dependent's, failure to satisfy any other eligibility condition, your Dependents may also apply for a Conversion Policy.

The Conversion Policy issued under this provision will be:

- a) any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance;
- b) issued without any supplemental benefits; and
- c) for an amount of life insurance that is up to the amount of life insurance that ended, less the amount of any other group life insurance the applicant becomes eligible for within 31 days after insurance ended.

Premium is based on the standard premium rate for the Conversion Policy according to the amount of insurance, class of risk, gender and age of the applicant on the date the Conversion Policy takes effect.

The Conversion Policy will become effective on the later of the date of issue or 31 days after the date insurance ended.

Notice of the Right to Obtain Insurance Under this Provision

The conversion period is the period of time that is 31 days from the date insurance would otherwise end (Conversion Period). When insurance would otherwise end, notice of the right to convert may be given. If notice is not given at least 15 days after the start of the Conversion Period, an extension of the period of time to apply for continued insurance under this provision will be allowed. Any extension will expire on the earlier of:

- a) 15 days after notice has been received; or
- b) 60 days after the end of the Conversion Period, even if notice is not received.

If you or any of your Dependents are entitled to obtain a Conversion Policy and die within 31 days after insurance ends, we pay the amount of life insurance which could have been converted, even if you or your Dependents did not apply for a Conversion Policy.

How to Request Insurance Under this Provision

Insurance is available without providing Evidence of Insurability. You or your Dependents must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted to us within the Conversion Period.

Conversion Insurance and Your Return to Active Work

If you or any of your Dependents are issued a Conversion Policy and again become eligible for insurance, insurance will become effective (subject to all eligibility requirements) only if any Conversion Policy(ies) is/are surrendered to us. If Conversion Policy(ies) are not surrendered, Evidence of Insurability will be required.

PREMIUM PAYMENTS

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

PAYMENT OF PREMIUM THROUGH PAYROLL DEDUCTION

You are responsible for the payment of premium for insurance under the Policy. The premium owed by you equals the total premium for all Insured Persons.

Premium is automatically deducted from your pay by the Policyholder, then remitted to us, as authorized by you during the enrollment process. Please contact the Policyholder for information regarding your deductions.

Payment of premium does not guarantee eligibility for coverage.

OPTIONS FOR PAYMENT OF PREMIUM FOR APPROVED CONTINUATION OF INSURANCE

When insurance is continued we must receive premium payment when due for insurance to remain effective, unless otherwise stated or allowed in the Policy. Premium payment may be made in the following ways:

- a) the Policyholder may pay the premium; or
- b) you may pay premium to the Policyholder who will then submit premium to us.

Contact the Policyholder to determine which option is available to you.

Payment of premium does not guarantee eligibility for coverage.

GRACE PERIOD

There is a grace period of 31 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period as long as premium is paid before the end of the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

PREMIUM AND PREMIUM CHANGES

The premium for insurance under the Policy is a monthly rate for each coverage option shown in the Schedule section of this Certificate that applies to you and your Dependents.

If you request a change in the amount of insurance for any Insured Person, the Policyholder will provide you with notice of your new premium amount upon request if you are responsible for the payment of premiums for insurance.

If there is a change in the amount of the premium for insurance for any Insured Person in accordance with the terms of the Policy, or a change in the amount of insurance for any Insured Person as the result of a request of the Policyholder, the Policyholder will provide you with notice of the change at least 15 days prior to the date of the change if you are responsible for the payment of premium for insurance.

Premium amounts will change if:

- a) you reach the Attained Age of the next higher age band in the premium rate structure for the Policy; or
- b) you reach an Attained Age when benefits are reduced as described in the BENEFIT REDUCTIONS provision in the Schedule section of this Certificate; or
- c) premium rates under the Policy are changed.

If we need more time due to circumstances beyond our control, we will inform the Claimant of our need for an extension prior to the end of this time frame.

Notice

If the administration of the Policy is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the Claimant may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of a claim or to ask questions about the Claimant's rights under ERISA.

BENEFICIARY DESIGNATION

In the event of your death, a beneficiary should be designated. Beneficiary records will be kept by the Policyholder, Plan Administrator or the office where beneficiary records for the Policy are kept. The most current beneficiary designation in effect under a Prior Plan will be accepted as a beneficiary designation under the Policy.

Certain states are community property states. If you live in a community property state and you designate someone other than your Spouse or Domestic Partner as a beneficiary, state law may require that your Spouse or Domestic Partner consent to such designation. If you do not obtain your Spouse's or Domestic Partner's consent to the designation, then such designation

may not be effective. Community property states as of the Policy Effective Date include: Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Texas, Washington and Wisconsin.

Your beneficiary may be changed at any time by you or your assignee (if you have assigned this insurance). To make a change, a Written Request should be provided to the Policyholder, Plan Administrator or to the office where beneficiary records for the Policy are kept. When received by the Policyholder, the change will take effect as of the date the Written Request is signed. The change will not apply to any payments or other action taken by us before the Written Request was communicated to us by the Policyholder.

FACILITY OF PAYMENT

We may pay an amount of up to \$2,000 to any person or entity that has incurred expenses related to your death and subsequent burial, or to the death and subsequent burial of any of your Dependents, if applicable. An amount, if paid, will be deducted from the amount of life insurance benefits payable.

MODE OF PAYMENT

Life insurance benefits will be paid by us in one lump sum. Accidental death and dismemberment benefits will be paid in one lump sum unless otherwise indicated in the Accidental Death and Dismemberment Benefits section of this Certificate.

REFUND TO US

If it is found that we paid more benefits than we should have paid under the Policy, we will have the right to a refund from you or the recipient of benefits.

We also have a right to a refund for any payments due to:

- a) fraud or misrepresentation;
- b) any error we make in processing a claim;
- c) you or your agent's failure to provide complete information; or
- d) an Insured Person not being eligible for coverage.

You or the recipient of benefits must reimburse us in full. We will determine the method the repayment is to be made, including without limitation, reducing or withholding any benefits payable to you, your survivors or your estate under this or any other group insurance policy issued by us. We will credit any such payments to the refund until the refund is fully recovered.

If it is found that we paid less benefits than we should have paid under the Policy, we will make additional payments, as necessary.

AUTHORITY TO INTERPRET POLICY

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

By purchasing the Policy, the Policyholder grants us the discretion and the final authority to construe and interpret the Policy. This means that we have the authority to decide all questions of eligibility and all questions regarding the amount and payment of any Policy benefits within the terms of the Policy as interpreted by us. Benefits under the Policy will be paid only if we decide, in our discretion, that a person is entitled to them. In making any decision, we may rely on the accuracy and completeness of any information furnished by the Policyholder, an Insured Person or any other third party. Our interpretation of the Policy as to the amount of benefits and eligibility will be binding and conclusive on all persons.

The Policyholder further grants us the authority to delegate to third parties, our affiliates and any third party administrator with whom we have contracted to provide claims administration and other administrative services, the discretionary authority

granted in the Policy. The Policyholder expressly grants such third party the full discretionary authority granted to us under this Policy.

The Insured Person or beneficiary has the right to request a review of our decision. If, after exercising the Policy's review procedures, the Insured Person or beneficiary's claim for benefits is denied or ignored, in whole or in part, the Insured Person or beneficiary may file suit and a court will review the Insured Person or beneficiary's eligibility or entitlement to benefits under the Policy.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

a) Receive Information About Your Plan and Benefits

1. Examine, without charge, at the Plan Administrator's office and at other specified locations all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

b) Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

c) Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

d) Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

PLAN DISCLOSURES

You are entitled to request from the Plan Administrator, without charge, information applicable to the Plan's benefits and procedures. In addition, your Certificate includes, as applicable, a description of:

- a) employee eligibility requirements;
- b) when insurance ends;
- c) state or federal continuation rights; and
- d) claims procedures.

PLAN CHANGES

Please refer to the provision in your Certificate entitled "Changes in the Insurance Contract" for information about how the Policy can be changed.
